Overview

Welcome to your dream retreat, where stunning views and modern elegance meet in perfect harmony! Nestled in a serene neighborhood backing up to The Haven Country Club, this home is a haven of luxury. Step inside to discover gleaming hardwood floors, custom cherry cabinetry, and designer lighting that dances through the open spaces. The first floor boasts a stylish home office, an elegant dining room, and a cozy sitting room. The grand great room is overlooked by a charming 2nd-floor balcony. With 4 bedrooms, including 2 en suites, and 3.5 baths, everyone has their own slice of comfort. The mudroom, 2-car garage, and endless upgrades add practicality to this beauty. A walk-out basement offers potential to add square footage. Step outside to your private oasisa spa-like pool, hot tub, and a 0.99A yard, perfect for relaxation and play. This home is a masterpiece where every detail is designed for living your best life!
