## Overview

Welcome to the quiet Wheatland-Summit neighborhood, into a stunning home located on a cul-de-sac. A beautiful brick-front exterior leading to the elegance and comfort found in a traditional home. The living room features a cathedral ceiling complimented by gorgeous sunlight, and a cozy fireplace. Connected to a spacious kitchen with an eating area and a large balcony door. The kitchen features wood cabinetry with a large island, granite countertops and stainless steel appliances. This home offers 6 bedrooms and 3.5 baths. Four of them are upstairs with two full baths. One on the main level with a half bath and one in the basement with a full bath. A finished walkout basement with a cozy family room, recreational room, exercise room and storage room. The walkout basement is leading to the well maintained exterior, featuring a beautiful patio covering the length of the yard, a firepit and stairs that lead to the front of the property. The roof and siding were repaired 5 years ago, the water heater and A/C unit were replaced 5 years ago. The furnace was replaced in 2023. (Receipts will be provided) Located in a great school district, nearby parks and shopping centers, this impeccably maintained home won't be on the market for long. MAKE IT YOUR DREAM HOME TODAY!!!
