Overview

Buyers backed out due to inability to sell their home, 2nd chances at homes like this DO NOT come often! Built in 2020, this spacious 4 bed, 2.5 bath residence boasts a family room with fireplace and kitchen featuring an island, granite countertops, and bar top seating. A pantry with 2nd fridge and ample storage space complements the kitchen. The mudroom entry offers built-in seating and shelving adjacent to the 2-car attached garage. A bonus room on the first floor adds flexibility. Step outside to enjoy the composite deck, the landscaped backyard and an outdoor shower! Fabulous paver walkways grace the front and rear of the property, leading to a covered front porch, rear deck and 16x20 detached garage! The home is wired for sound, has a surveillance system and walkout basement. Upstairs, the expansive master suite includes 2 walk-in closets and double vanity. Upstairs also has a 2nd full bath w/double vanity and 2nd floor laundry room w/cabinetry and granite counters. Open House 9/8 1-3
