## Overview

Sunny corner penthouse at The Stanwood in the heart of Dana Hill. A 3BR + study top-floor flat surrounded by 17 large windows. The Stanwood is a 1920s building elegantly renovated in 2007. A rare find: a pre-war building in Harvard Square that includes in-unit laundry and parking. Modern open layout anchored by a large Cherry kitchen with peninsula, double windows at sink and a coffee dry bar. The natural light is outstanding with East and South-facing windows. The two front bedrooms face the Brick and Georgian homes of historic Centre Street. Third bedroom features double closets and a sunny nursery/office. Desirable parking space in the rear of building (space #i). Large storage closet in basement (room #12). Centre is a tree-lined street secretly tucked up a hill, in the shadow of Harvard campus. Offers due Tuesday 2pm.
