## Overview

Spectacular, ground-up new home in a prime location showcases unparalleled quality and attention to detail. Four well-appointed levels, floor-to-ceiling windows, gorgeous staircase, expansive rooftop deck, beautiful back yard. Offering 6 bedrooms and 5.2 baths. The elegant chef's kitchen with ample storage and pantry, sleek contemporary cabinets, and quartz countertops opens to a living room and dining room, and through the imposing French door extends to a private yard. The second floor offers four spacious bedrooms. The lavish master suite with his and her walking closets and spa-like bathroom. The third floor consists of a finished space/walkout to an expansive rooftop deck. The lower level offers a bedroom, en-suite bath and flexible space for entertaining. Enjoy the ultimate convenience and privacy this superb location offers: cul-de-sac in the Oak Hill Park Neighborhood. Embrace this exceptional opportunity. Live in one of the most prestigious and sought-after Boston neighborhoods.
