## Overview

Ready to be impressed? This updated, single-story residence features 3 spacious bedrooms and 2 remodeled bathrooms. The home includes a recent room addition, creating a luxurious primary suite with vaulted ceilings, an en suite bathroom, and a sliding glass door to the outside. The remodeled kitchen is highly functional with ample storage. Both the front and backyards are low maintenance with artificial grass. The backyard has a large covered patio perfect for enjoying the outdoors and producing fruit trees! As an added bonus, the home comes with 32 owned solar panels, providing energy efficiency and cost savings! This home is the perfect blend of modern updates and practical features, ready for you to enjoy.
