Overview

Introducing the Morgan floor plan in Easton Park a Proposed Construction that epitomizes modern comfort and sophistication. This 1.5-Story Home with a Main Floor Master spans 2, 315 Finished Square Feet and is nestled against a Serene green space, offering unparalleled privacy with No Rear Neighbors. Custom-designed to cater to your lifestyle, this floor plan features 4 bedrooms and 2.5 bathrooms, including a Main Floor Primary Bedroom for added convenience and accessibility.As you step inside, you're welcomed into a Breathtaking 2-Story Great Room highlighted by a Dramatic Fireplace that Spans Two Stories, creating a focal point that enhances both the dining room and kitchen areas. The kitchen, a chef's paradise, boasts a Large Island perfect for additional seating, complemented by Granite Countertops, Stainless Steel Appliances including a dishwasher and microwave. A Walk-In Pantry ensures ample storage space for all culinary essentials. The primary suite, strategically positioned off the kitchen, exudes tranquility with its dropped tray ceilings and Attached Bathroom featuring Double Sinks with Quartz countertops and a Generously Sized Walk-In Closet, providing both functionality and elegance. Standard construction details include 2x6 Exterior Walls, ensuring superior insulation and durability, as well as a Fully Finished Garage that adds both practicality and aesthetic appeal to the home. Designed with versatility in mind, the Full Unfinished Basement has 8' ceilings and can be customized to suit your specific needs. Outside, a Full Landscape Package with a Sprinkler System enhances the curb appeal and simplifies maintenance, allowing you to enjoy the outdoor spaces with ease. This home is not just a residence; it's an opportunity to create your own sanctuary. Customize the Morgan floor Plan to Reflect Your Personal Style and Preferences, Ensuring Every Detail Aligns Perfectly with Your Vision! Pictures Shown are Examples of Previous Built Homes
