Overview

Are you ready to build that new home? We are offering 2 lots side-by-side in the Deer Tails subdivision. The lots together are just under 1 acre. This allows for plenty of room to build that new home and still enjoy the quiet setting and deeded access to the Wisconsin River just across Hwy 13. Please include both parcel numbers in all offers. #032-01344-0000 and 032-01345-0000.
