## Overview

In the highly desirable Upper Sky Harbor neighborhood this 2 bedroom, 2 bath has just undergone renovations including new floors throughout and a new kitchen while keeping the original charming brick fireplace. Sitting on nearly 3/4 of an acre, there is an additional detached garage since the original garage was converted to a recreation room. It boasts spacious rooms throughout including the bedrooms with more than generous closets, and an enclosed patio/sunroom where you can take in the southern breathtaking mountain views year round. The possibilities are endless of what you can do with this amazing home and the extra footprint it offers!
