Overview

Welcome to this delightful 4-bedroom, 2.5-bathroom home nestled on a sprawling 2.59-acre lot, offering the perfect blend of comfort and style. Step into the beautifully tiled entryway, leading to an inviting open floor plan with hardwood floors. The island kitchen is a chef's dream, featuring stainless appliances, including a Kenmore low profile dishwasher with a stainless drum, an electric range, and a microwave vent hood. The spacious master suite boasts a sliding barn door, a large walk-in shower with double sinks, a walk-in closet, private toilet space, and elegant canned and recessed lighting. Enjoy year-round comfort with central heat and air, and the convenience of an inside utility room. The home is designed for all-electric living and is equipped with thermal vinyl windows and an aerobic system. Relax on the covered back deck or the charming front porch, both supported by durable steel porch posts. The property also includes a versatile 30 x 10 building with a standing metal roof, concrete flooring, and air conditioning ideal for a workshop or additional storage. The well-maintained grounds feature well water, a water softener, a fire pit, barbed wire fencing with cross fencing, and a variety of fruit trees and blueberry bushes. Don't miss the opportunity to make this serene and spacious property your own.
