Overview

Your new country home awaits: This one owner 3 bed 2 bath ranch home located on 13.7 wooded acres has been lovingly cared for, an ideal setting for a buyer looking to escape life in the city. Large kitchen/ dining area offers a breakfast bar, walk out to a covered deck for seasonal enjoyment. Huge bright living area boasts picture window views overlooking a small lake. Main floor utility area. Master suite w/full bath and walkin closet, 2 large guest bedrooms and 2nd full bath. Covered deck overlooks the park-like setting and wooded acreage, a mix of mature evergreen and hardwood forest where wildlife abounds. Full, dry, basement, could easily be finished for additional living space. Minutes from the Dells and interstate yet in a very quiet setting. New furnace, updated water heater
