Overview

Welcome home to this move in ready house featuring many updates in the last several years. Updates include new roof, flooring throughout the entire house, as well as a kitchen and bathroom remodel and a freshly painted exterior. Entertaining is a breeze with the open-concept layout that seamlessly connects the kitchen and living room, creating a perfect flow for gatherings. Step outside to your large level backyard, ideal for hosting summer barbecues, outdoor activities, or simply unwinding in your personal oasis. Schedule your private showing today. Seller is related to listing agent.
