Overview

Perfect set up in this 4 bedroom house with a great open layout and 1st floor office. Eat in kitchen, island for entertaining and sink looking out into the peaceful backyard! Upgraded stainless steel appliances featuring a gas cooktop and built in microwave and wall oven. Beautiful lyra quartz kitchen countertops, and white and navy kitchen cabinets for an updated stylish look! Electric fireplace in the family room adds a nice cozy feel. Wide plank laminate flooring throughout all of the 1st floor of the home, hardwood staircase stained to match and laminate continuing into the upstairs hallway and primary suite. Frost white quartz countertops in your owner's bath with a double vanity and large tile walk-in shower. Premium lot with room for activities, pets, and relaxation. Smart home features throughout. AMAZING LOCATION!! Don't miss out on this new community nestled in-between existing neighborhoods in a beautiful quiet and convenient area! Only 5 miles from downtown Wake Forest. 3 miles from multiple different grocery stores, as well as shopping and dining. Homes estimated finish date is January 2025
