Overview

NO HOA, NO CARPET, LARGE SCREENED-IN POOL! This all-block and brick pool home is situated on an oversized fenced-in lot. It features two bedrooms, two bathrooms, and ample storage space. There is a separate room with built-in cabinets and countertops, ideal for a home office or a crafts room. The primary bedroom is spacious with double closet space, and the primary bathroom has been recently renovated. Tile and wood laminate throughout. The dining area includes a built-in China hutch and opens to the family room, which boasts a fireplace. Additionally, there is a covered lanai that leads to a large screened-in pool complete with a diving board and working sliding board.
