Overview

Nestled in a sought-after community, this exquisite 1,900 sq. ft. residence perfectly blends comfort and convenience. Boasting 4 bedrooms, 2.5 baths, and a versatile flex space ideal for a home office or creative studio, this home is designed for modern living. The kitchen features an oversized island with ample storage, granite countertops, and stainless steel appliances. The open-concept living spaces are adorned with natural lighting and create a hospitable environment for family and friends. The home has been freshly painted within the last year, offering a pristine canvas for your personal touch. Thoughtfully designed with abundant storage, including multiple utility closets, this home also features a convenient laundry room adjacent to the primary suite. The washer and dryer are included for your convenience. Step outside to your private, spacious lot, offering serenity and space, yet just steps away from the community playground. This home is perfectly positioned across the street from an award-winning school and within walking distance to the charming streets of downtown Pendleton, where boutique shops and local dining await. This location also prides itself on being less than 30 miles to Downtown Greenville and less than 5 miles to Clemson. With a two-car garage and every modern amenity, this residence is more than just a house- its your next home.
