## Overview

Discover your dream home in this Charles River front retreat on a scenic acre lot in one of Needham's most coveted neighborhoods. Expansive interior spaces offers comfort for modern living. Enjoy a spacious eat-in chefs kitchen with 9ft island and a seamless flow to the dining room for hosting gatherings. Relax in the inviting front to back living room and work from home in the convenient front office. The 1st floor is complete with half-bath, mudroom and direct access to the 3-car garage. The 2nd floor features a primary suite w/spa like bath and walk-in closet. Along the mid-hallway, are two additional bedrooms and family bath and at the end of the hall discover two newly added bedrooms, full bath and spacious great room, perfect for the entire family to enjoy. The finished lower level offers extra space for relaxation and exercise. The large deck provides outdoor space w/beautiful river views, ideal for entertaining. This rare gem combines luxury and tranquility in an unmatched setting.
