## Overview

Discover the epitome of luxury living in this exquisite 4-bedroom home, where every detail exudes elegance and comfort. Upon entry, the family room welcomes with walls of windows that bathe the space in natural light, creating a seamless connection to the serene outdoor surroundings. Both formal and casual dining areas offer versatile options for entertaining or everyday meals, each designed with a blend of sophistication and functionality. The primary suite beckons as a private retreat, boasting a spacious layout, opulent finishes, and a lavish ensuite bathroom designed for relaxation. A first-floor private guest suite provides comfort and privacy, ideal for hosting overnight visitors or extended family. Upstairs, a sprawling game room awaits, offering endless possibilities for recreation and leisure activities. Outside, the outdoor living space invites relaxation with patio, perfect for al fresco dining or lounging amidst the beautifully landscaped grounds. Largest Lot at .49 acre.
