Overview

UNIQUE! Home in Clemmons area 5 bedroom and 5 full bathrooms. This property has the potential for 3 SEPERATE UNITS. Featuring 3 full kitchens, 3 laundry connection areas, 3 hot water heaters, and 2 HVAC units. Relax out back with the large deck which is partially covered and overlooking expansive fenced in backyard. Full basement is partially finished with a garage door access to the unfinished area. The basement also holds one of the full kitchens, laundry area, bathroom, a large dining area, bedroom, and spacious living area complete with a BONUS room. On the main level the upper area is complete with a kitchen, dining room, office space, living area, full bath, and 2/3 bedrooms (depending on how you want to separate the house), one complete with another full bathroom. Through a bedroom on main level is a potential unit with 2 full bathrooms, a kitchen, laundry area, access to the back deck, 1-2 bedrooms. MUST SEE PROPERTY! Perfect for Multi-Generational Living or Investment Property
