## Overview

Beautiful 1.5 story home in a quiet neighborhood perfect for families with children! It's a short walk to both elementary and middle schools. There are 3 bedrooms downstairs including a primary master bedroom. A second master bedroom with full bath upstairs or it can be used as a game room. Hand-scraped hardwoods, crown molding, and granite counter in both kitchen and master bath. Open kitchen to the living room and dining room for easy entertaining while you cook. Gorgeous granite island countertop, and stone tile in the kitchen. The Master Bath has a walk-in shower, garden tub and dual vanities, plus a large walk-in closet. The wrap around covered back patio and backyard are perfect for your outdoor hangout while watching the kids play on the built in playground. The home includes Nest thermostats, Nest deadbolt, Rachio Smart Irrigation controller. Refrigerator, washer, dryer and kids' playground included. Walking distance to the community pool and park too! Virtual staging.
