Overview

Welcome to this inviting 1, 248 sq ft ranch home on a serene 1+ acre lot with 22 feet of pristine lake frontage on Wallace Lake. This delightful 2-bd, 1-ba residence offers the perfect escape. Includes tandem 3rd bedroom. Improvements to the property include: In 2024: new roof and fence. In 2022: new dock, new flooring and paint throughout, window blinds, kitchen counter, kitchen sink, fridge, oven/stove, light fixtures, bathroom vanity and toilet. All furnishings included in the asking price. Large lot provides an opportunity for house expansion. Beautifully landscaped yard with a patio for morning coffee or evening relaxation. The 2.5-car attached garage is ideal for tools and toys. This rare lakefront find combines the tranquility of lake living with modern conveniences. Priceless!
