Overview

This landmark property in the highly desirable Cushing/Payson neighborhood offers a remarkable lifestyle in close proximity to Belmonts Wellington elementary and Chenery upper elementary schools. Lovely grounds on a corner lot with beautiful shade trees that create a quiet outdoor oasis just steps away from shops, cafes, restaurants and even live music! The main level of this lovely home offers a gracious fire-placed living room with a luxurious screened porch for entertaining, a newly re-designed kitchen sparkling with stainless steel finishes and inspiring features, a generous open dining area and family room, and a fourth bedroom with an adjoining bathroom - perfect for guests or in-law use, and many custom wood window blinds. Three bedrooms upstairs include a front-to-back primary w/fireplace and a spacious third-floor attic retreat that is perfect for a bedroom, office or play room. A wonderful living experience awaits at this unique and very special property!
