Overview

Charming 3-bedroom, 1-bath ranch home in a prime in-town location, just a short walk to local amenities. This 960SF home, with a full basement, and one-car garage, was updated in 2015 and is move-in ready, featuring a remodeled kitchen with appliances included. Recent updates within last 10yrs include a new roof, vinyl siding and windows, gutters, and central AC. The fully enclosed backyard with a chain-link fence is perfect for pets and the property includes two large storage sheds. Relax on the covered front porch and enjoy the well-maintained landscaping. This home is an ideal year around home, investment or vacation property due to its desirable ranch layout and proximity to downtown. Don't miss this fantastic opportunity!
