Overview

Wooded mountaintop oasis available in NC Foothills! Located in Alexander County NC, this +/- 54 acre track (to be surveyed) is available. While heavily wooded, mountain views peek between the leaves and improve seasonally or with some tree thinning! Electric service installed and working, 1 bed septic installed and permitted, Well installed...separate driveway will be required after closing. Property is not visible from the road. Several structures present on the property convey at no additional costs to include a spacious barn/storage/ Barn apartment/office featuring kitchen bath and living area. Additionally, an old log cabin is available w/potential for renovations as well as a granary /workshop building also good for firewood storage. Explore trails that meander through the land, leading to a creek that flows through the east side of the tract. This property is an excellent choice for creating a dream getaway or permanent residence. \$389,900
