## Overview

New construction in Claude! Inviting front porch leading into a large open living, dining, kitchen area. Porcelain tile flows through the living areas into the utility and hallways. Large picture window for natural light and perfect for the Christmas tree!! Kitchen has granite, stainless appliances, and a pantry area. Master suite is isolated with a large en suite. Separate tub and shower as well as a double vanity are just some features. The walk in closet is spacious. Great storage in the linen cabinet. Hall bath is a great size with linen cabinet and a spacious vanity! Bedrooms are good sized! Foam insulation in the house and the garage. The front and back yards have sprinklers, sod, and the back yard will be fenced.
