Overview

Tidy ranch, well-maintained on a generous lot. Reduce your electric costs! Leased solar panels installed in 2018 generate more power than seller uses producing a sizeable electricity credit transferable to new owner. Three bedrooms, bath with jetted tub, open-concept kitchen/living area and partially finished basement. Numerous updates. New windows in 2022. Great commuter location with easy access to Shirley rail station and Route 2. Open houses Saturday and Sunday, September 7th and 8th Noon to 2:00 PM.
