Overview

Check out this well maintained 3-bedroom, 2-bathroom gem nestled in a peaceful cul-de-sac in Cedar Springs. This stunning home boasts, freshly painted walls, updated flooring, stainless steel appliances that come included with the property. The spacious NEW kitchen features ample counter space, a convenient pantry, and an open layout perfect for hosting gatherings. The main floor showcases a sizable master bedroom with a double closet, a second bedroom also with a double closet, and a full bath for added convenience. Natural light floods the lower level through daylight windows, illuminating a generous family room, a third bedroom, and another full bath. Step through the sliding door in the dining area to access the deck and backyard, offering a serene setting for you to unwind and relax.
