Overview

This Attractive 3.5 bath Cape style home built in 2016 is nicely located on 4 acres of land in the lovely town of Montgomery!! Step inside and be wowed by the 2-story living room w/gas fireplace, Gorgeous kitchen w/granite counters, SS appliances, tiled backsplash, breakfast bar and pot filler faucet and a great 1st floor main suite w/walk-in closet and private bath featuring a double bowl vanity w/quartz countertop, soaking tub and tiled shower. On the 2nd flr you will find a great open bonus room w/closet, plus 2 bedrooms and a full bath. Lower level features approx 800 sq ft of very nice additional heated living space including a full bath. Exterior features a front porch, irrigation system and private rear yard w/16X13 composite deck and patio. Other wonderful features include a new boiler and water heater(radiant heat), h/w floors throughout, recessed lighting, heated 2-car garage, crown moldings, solid core interior doors, ductless mini-split system and wired for a whole house generator.
