Overview

Fall in love with this charming 18th-century home, now updated for modern living. Avoid the typical old home expenses and relish in its unique charm. This house is perfect for gatherings, featuring a spacious yard, a kitchen w double ovens, an oversized pantry w washer/dryer hookups, and ample storage. The large dining room, ideal for entertaining, will captivate you w its versatility. The first floor offers a generously sized bedroom complete w a pellet stove, a remodeled full bathroom, and a cozy family room. Upstairs, the primary suite boasts a large en suite w a built-in dressing area and custom closets for two rare for a home of this age. Two additional second-floor bedrooms include built-in drawers, compensating for the typical lack of closets. Situated on nearly an acre of wooded land, w a brand new storage shed! With a new metal roof, updated plumbing, electrical, windows, flooring, siding, kitchen, bathrooms, appliances and pantry, this home is ready for you to enjoy!
