Overview

Welcome to Parkview on The Commons! Immaculately maintained and move-in ready, this rarely available 2-3 bedroom unit or 2 bedrooms and a private office, is ready for you to make it home. Updates incl. hardwood flooring in the bedrooms, crown molding for a classic touch, and newer A/C system. Budget-friendly monthly fee incl. water/sewer; economical gas heat checks off even more boxes! You'll love the open floor plan and how much natural light shines in. The kitchen comes complete w/stainless appliances, granite counters, and plenty of cabinets. Conveniently located, making move-in day and bringing in groceries a breeze. Fantastic downtown location east of the rotary mere moments from shops, dining, and more! Head across the way to the Common to enjoy seasonal events, sitting areas, or the playground. In-unit laundry, two deeded parking spaces, including 1 garage spot and storage unit! Whether you use this for your next home or investment property, so don't miss out!
