Overview

Coveted walk to train location for this exquisite Hinsdale home! Features include: primary bedroom with spa-like bathroom and Juliet balcony, 4 generous size bedrooms (2 ensuite with designer baths), cook's kitchen with 2 ovens, island, custom cabinets, butler's pantry with wine fridge, breakfast bar, and eating area. Adjacent family room features a cozy fireplace and coffered ceiling. First floor sunny office with French doors, dedicated formal living room and dining room, mud room to outside. Lower level completely redone in 2021: wine room, mini kitchen, flex room (exercise, bedroom), full bath and fireplace. The private backyard is a sumptuous enclave: paver patio, attached grill, granite counter, completely fenced. \$65,000 roof on house and garage (2023), exterior painting (2022), 2 newer water heaters and 2 sump pumps. Attention to detail is evident: crown moldings, arch doorways, elegant fixtures, bull-nose corners, blue stone. It's a beauty!
