Overview

Mountain views from the top of this 39+ acre parcel. Pronghorn at play and beautiful sunrises and sets for your enjoyment. Federal land just a mile to the east and State land to the North are great for hunting access. Develop off grid living at it's finest or establish your personal recreation version of paradise. The city of Casper is a short drive away for access to creature comforts and necessary items. Take advantage of this opportunity to acquire your own piece of Wyoming.
