Overview

Welcome to the lake! Nestled amidst the tranquil surroundings, this well-maintained 1975 home offers a blend of comfort and natural beauty. Step inside to discover hardwood floors adorning the main level, inviting in the warmth of natural light through large windows. Cozy up by the wood-burning fireplace in the spacious family room, perfect for gatherings or quiet evenings. The lower level beckons with an oversized gathering space, ideal for recreation or relaxation. A third bedroom and full bath complete this level, providing ample accommodation for family and guests. Step outside to embrace the serene settings, whether lounging on one of the decks or enjoying the screened-in porch. The expansive private backyard is a haven for nature lovers, meticulously manicured with mature trees, flower beds, and plenty of space for outdoor gatherings and cookouts. With so much potential and offered at an incredible value, this property awaits your personal touch to transform it into your own lakeside getaway. Don't miss this opportunity to create lasting memories in this idyllic lake house retreat. Covenants and restrictions apply. Annual dues and fees apply.
