Overview

Wow - Surround yourself with gorgeous wooded views and enjoy the privacy this home offers! This quality custom built ranch home with a walkout basement is on two acres with a 64'x40' outbuilding with oversized garage doors ready for all your hobby needs. Enter into the foyer and be surrounded by an open floorplan conducive to entertaining. The spacious kitchen features a separate refrigerator and freezer, double ovens and abundant custom cabinetry. Everyone gathers around the large island complete with an eating area. The kitchen opens into the family room with a lovely fireplace and vaulted ceilings. Your deck right outside of the kitchen is composite material and perfect for grilling and enjoying meals outside. The main floor features 4 bedrooms with an opportunity to have two primary suites. The current primary suite has a designer bathroom with dual vanities, an air jet tub and a large walk in shower complete with a rain shower head. The enormous walk out basement has it all - a recreation space with a wood burning stove fireplace, room for a pool table, access to the lower level patio, a second kitchen, an exercise area, bedroom with walk in closet, full bathroom and enormous storage area. The lower patio space has a firepit off to the side and is a perfect spot to enjoy an evening overlooking your stunning views. Convenient location close to the expressway! District 117 (Antioch) and 34 schools! Make this home yours!
