Overview

This lovingly updated brick ranch welcomes you with an inviting living room, featuring a classic bay window, tasteful finishes, and recessed lighting that sets the perfect mood. The semi-open concept kitchen, with a breakfast bar that seamlessly connects the spaces, boasts a modern, trendy design. You'll love the shaker-style cabinets, under-cabinet lighting, beautiful quartz countertops, and newer stainless steel appliances that make cooking a joy. The attached dining room is perfect for hosting everything from intimate meals to busy holiday gatherings. The large family room continues the contemporary feel, with luxury vinyl plank floors and a cozy gray color scheme, creating a comfortable space for relaxation. Each of the bedrooms is thoughtfully designed, showcasing beautiful wood floors, neutral paint, and ceiling fans. The primary bedroom offers ample space for a king-size bed and a full bedroom set, while the other well-sized bedrooms feature timeless. The finished basement expands your living space with a versatile flex area currently set up as a movie room, along with a full bathroom and a laundry room. Outside, the fully fenced backyard offers a serene space to enjoy the outdoors, complete with a poured patio that's perfect for unwinding or entertaining. This home truly shines with its blend of modern updates and careful upkeep, ready to be your next haven.
