Overview

This Perry home is dense with nonstandard essentials and features 4 spacious bedrooms, 3 full baths, and an office. Throughout the home, you will see 10ft ceilings, 8ft doorways, and upgraded wood like tile in the living areas. This open concept floorplan includes an extended entry leading into a modern kitchen including quartz countertops, undermount cabinet lights and stainless-steel appliances. Off the kitchen sits the eat-in area and living room, which makes this space not only convenient but perfect for family gatherings and entertaining. Stepping into the backyard you are met with a double extended patio, detached 8ft bricked outdoor fireplace and nearly 700sq ft of turf. LOCATION, LOCATION, LOCATION! Within walking distance, you can arrive at the community ponds, an oversized dog park, or the community pool with private cabanas and grills. Within 5 miles you have access to parks, shopping, restaurants, and more including downtown Celina, Costco and HEB (Coming soon).
