## Overview

Welcome to your private mountain retreat nestled in woods. Surrounded by nature but equipped with modern conveniences, this cabin really does provide the best of both worlds. Features include open-concept living area with vaulted ceiling, floor-to-ceiling windows to maximize natural light, massive primary suite with walk-in closet, wrap around porch providing covered and uncovered spaces to relax or socialize, and a partially-finished daylight basement currently equipped as a game room and media center. Check out one of the most majestic hikes in the region by taking a short drive to Max Patch, or just relax at home and enjoy your surroundings. The home has three total sleeping areas - two on the main level and the primary suite upstairs. All major components are in great condition and the driveway is well maintained. High-speed fiber internet. Perfect 2nd home, family getaway, or full-time residence. Check out 3D virtual tour here:
