Overview

Live the lake life in this charming hillside ranch! A covered front porch invites you into a bright and airy home with oversize Marvin windows, hardwood flooring, and beautiful lake views! The floor plan is ideal for daily living as well as entertaining family and friends. A brick fireplace adds warmth and charm to the spacious living room and dining room. The kitchen features maple cabinets, granite counters, stainless appliances, and a pantry. French doors lead out to the patio. There are three bedrooms and two bathrooms on the main floor, including the primary suite. Downstairs, the English walk-out basement hosts a family room with brick fireplace, bedroom, bath, 2 storage rooms, and a tool room. Shared dock. Recent improvements include the roof (2024), refinished hardwood floors, paint on the main floor, concrete floor coating in the garage, and extending the sidewalk by the garage. Convenient location close to shopping, dining, recreation, and health care.
