Overview

Welcome to Liberty Phase IV. This home located at 6546 Lazar Lane features the Cali floor plan and is currently under construction. The Cali is a 4-bedroom, 2-bathroom home with 1,799 square feet. This floor plan is an open concept with a large living and dining area open to the kitchen. Interior features include granite countertops, LVP flooring in common and wet areas and plush carpet in the bedrooms. Also included is a stainless-steel appliance package in the kitchen including a smooth top stove, microwave and dishwasher. Additional features include traditional 8' ceilings, beautiful white cabinetry in kitchen and bathrooms and a Smart Home technology package that includes Kwik Set keyless entry as well as a touch control panel that can be integrated to control your thermostat, lighting and secure your home. The exterior of this home features a large, covered porch, landscaped front flower bed and a sodded yard where cleared. Liberty located off of Star Avenue in Panama City. Just a short drive to downtown Panama City and is not far from Tyndall Air Force Base. This community features a 7,500 square foot amenity center, complete with a large pool, a splash pad, a playground, and a fitness center inside.
