## Overview

Multi unit in Scranton set up as follows: Traditional side by side double that has been modified on one side for the seller's in law. Left side has large rooms and hardwood floors. Right side has been completely remodeled and split into an up and down to accommodate the seller's in law. Both sides have newly finished 3rd floor rooms and some finished square footage in the basement. Large yard, covered front porch and back deck and large paved parking area for off street parking can accommodate 4 cars. Left side was seller occupied. Right side was remodeled. Both sides are move in ready. 324 side - Baseboard electric heat/3BR plus 2 newly finished rooms on 3rd floor offers more potential/2 BA plus half in basement/some finished space in lower level. Separate electric and separate water for this side. 322 1/2 side - separate electric for 1st floor and separate electric for 2nd floor but gas steam furnace and water is same for both floors. All exterior siding has just been freshly painted and several windows have also been replaced.
