Overview

Large 1.4-acre wooded building site located just South of Alanson in Hardwoods East Subdivision. This level site would make for an easy build, the lot has had some clearing, a drive roughed in and features underground utilities including electric, natural gas, and high-speed internet. In addition, you are close to local amenities including downtown Petoskey with its famed Gaslight District for shopping and dining, Harbor Springs which features the best skiing and golf Michigan has to offer and Mackinaw City the gateway to Mackinac Island one of Michigan's top tourist destinations. This property is also located right in the heart of Northern Michigan's numerous outdoor activities, within minutes you can be boating on Lake Michigan or the famed Inland Waterway system biking on the Northern Michigan Wheel way or hiking the numerous trails in the area.
