## Overview

L@@King for the home with room to store all your outdoor toys? A place to park your motorhome / fifth wheel? You've found it! Close to all the amenities and conveniences of city living with that country feel. This beautiful 1800 sqft 2 story home with 3 bedrooms and 2 full baths sits on a deep 1.4 acres parcel and features an oversize attached garage with pull-through bay and an additional 2nd garage/pole barn for all the extras. As the seasons change imagine your brand new front deck decorated for the upcoming holidays greeting your guests as they approach your home this fall and winter! Upon entering you will find a very spacious living room area offering plenty of room to host holiday festivities. The updated kitchen with bright white cabinets features an eat-in dining area with a doorwall that opens to the expansive rear deck and above ground pool. Also located on the main floor is a full bath and first floor laundry. All appliances, including the washer and dryer, stay with the home. Upstairs are 3 bedrooms and a 2nd full bath. Great location, close to expressways and shopping. Call today for your private showing. Information deemed reliable but not guaranteed, buyer and buyer agent to verify.
