Overview

Welcome to your own private oasis in the highly sought-after Heath ISD! This stunning 4 bed, 3 bath home sits on a spacious 1.6-acre lot and boasts a backyard paradise complete with a saltwater pool, built-in outdoor kitchen, including 30in Blaze grill, 75, 000 btu Blaze power burner, Blaze 5.2 cu ft outdoor fridge, Blaze double side burner, Blaze 3 burner grill, Deep washer sink and automatic shades on the patio for added convenience. The split floorplan offers privacy and flexibility, with the 4th bedroom perfect for use as a playroom or game room or even a second office. Two living areas, one living area could be turned into a formal dining. The primary offers wood flooring, his and her sinks, and an oversized walk in closet that leads into the laundry room. The gourmet kitchen features granite countertops, a double oven, gas cooktop, and a large pantry for all your storage needs open to the living room for easy entertaining. Come see this home today!
