## Overview

This stunning, updated home offers everything you could want! With 4 bedrooms, 4.5 bathrooms, sitting on 2 full acres, it boasts a newly built heated and chilled UV mineral pool, a fully finished basement, and countless upgrades. Enjoy stunning views from the kitchen and living room, and a chefCOs kitchen equipped with a ventilation system, perfect for entertaining. Recent improvements include a new Owens Corning roof, new gutters, triple-pane windows, brand new carpet, two new Trane AC units, a new water heater, smart IQ garage door openers, new Hardie plank siding, fresh exterior paint, and all new exterior doors. Every essential feature has been thoughtfully upgraded, making this home truly move-in ready!
