Overview

Meticulously maintained 2-story home nestled on 1.37 acres of serene, tree-lined property. Inside, you'll find hickory wood floors, smooth ceilings, six-panel doors, and a kitchen updated in 2011 featuring Cambria counters, tile backsplash, and built-in cabinets. The spacious main floor includes a cozy fireplace, main floor office, and large Andersen windows (2021) that bring in abundant natural light. The upper level has 4 bedrooms and 2 full baths. The walkout lower level is ideal for entertaining, offering a media space, billiard area, walk-behind bar, bath, and sauna. The oversized 2-car garage features epoxy floors and redwood doors. Outside, enjoy the vaulted screen porch with a maintenance-free deck, pass-through window to the kitchen, enhanced landscaping (2023), and a basketball court. Additional updates include A/C (2020), LP siding (2015), gas fireplace (2014), and shower update (2013). Conveniently close to Lake Jane for recreational activities.
