Overview

Prepare to fall in love with this stunning one-bedroom, one-bath condo! Enjoy amazing treetop views from your private balcony-the perfect spot to unwind on crisp fall evenings. Located in a well-managed building, this condo features an open-concept layout with elegant wood floors, granite countertops, recessed lighting, and charming brick accent walls. The expansive bedroom boasts a spacious walk-in closet with built-in organizers for all your storage needs. The bathroom offers a double vanity, a tub/shower combo, and generous open shelving. For added convenience, a newer stackable washer and dryer are tucked away in a closet near the kitchen. This condo also includes one interior garage space and a storage locker, and the building offers fantastic amenities such as an outdoor pool, a party room, and 24-hour doorman service. HOA fee includes Comcast fiber optic cable and internet, 24 hour door man, pool, party room, water, gas, refuse/recycling service, common area maintenance including elevator service and janitorial service. Ideally situated near expressways, dining, and health clubs, this home combines modern comfort with exceptional convenience.
