## Overview

This stunning 5 bed, 3.5 bath home is set on a little over 1.2 acres of beautifully landscaped land, surrounded by large trees that provide a picturesque and private setting. The stone siding, expansive windows, and long driveway create a grand first impression. Upon entering, you're welcomed by a sweeping staircase and soaring ceilings. To the side, an office with built-in bookshelves offers the perfect space for work or study. The living room is bright and inviting, featuring a cozy fireplace and large windows that frame views of the outdoors. The kitchen is a chefs dream, with abundant cabinets, a double oven, and an eat-in area with stunning backyard views. The primary retreat is a luxurious haven, complete with its own fireplace and a spa-like ensuite featuring separate vanities, a soaking tub, and a walk-in shower. Outside enjoy the covered patio, pergola, two storage sheds, and two shops in the expansive backyard. Seller will consider paying up to 10K in closing cost assistance.
