## Overview

This home offers a full rebuild/remodel, done 100% by contractors, and a great location to the high school! It has new siding, exterior doors, interior doors, all new windows, full new bath, HVAC, flooring, a finished garage, and an added on workshop/hobby room behind the garage for whatever you want it to be! New back deck, and a quaint front closed in porch put the outside touches on it. The home is fully electric, and has new 200 amp service, and updated electrical. The garage has a new garage door/opener for your convenience and protection!
