Overview

Welcome to this charming 3-bedroom, 2-bathroom home in Abilene, nestled in an A rated school district. Step onto the covered porch and through the front door to discover stunning wood floors and a spacious living area adorned with a beautiful coffered ceiling and a stone wood-burning fireplace, perfect for cozy evenings. The kitchen boasts granite counters, stainless steel appliances including a double oven, and a convenient touch faucet. Enjoy the elegance of 18 inch custom ceramic tile throughout, complemented by thoughtful details like a sink and cabinets in the laundry room. Outside, a huge covered patio awaits with adjustable sun shades, ideal for entertaining or relaxing in any weather. Practical features include a new hot water heater, a built-in tech center, and a workbench in the garage for DIY enthusiasts. This home offers both comfort and functionality, making it a must-see for anyone looking to settle in Abilene's desirable community.
