Overview

Wow, Lovely Woodcrest Acres neighborhood features this open and bright multi-level home. Sun filled living room with fireplace and covered hardwood floors that flows to nice size dining room. The heart of the home is the updated kitchen in 2015 complete with stainless steel appliances, granite counters and gas cooking. A beautiful added family room in 2009 with gleaming hardwood floors, semi vaulted ceiling, tons of windows and exterior access to the yard. Three generous bedrooms all with exposed hardwood floors. Lovely updated tile main bath. The lower level features tremendous living space for playroom, family room, work out space or even work from home. The laundry is there plus a 1/2 bath. Great lower level living space, ideal for playroom, exercise or work from home space plus laundry and 1/2 bath.. Gas heat, central AC, furnace replaced in 2017, vinyl siding and roof redone in 2007. Easy access to all!! Great value for home and location!!
