## Overview

Chesmar Homes New Construction. Chesmar's Popular Williamsburg floorplan is similar to our Model Home floorplan with 2, 713 square feet. This Williamsburg is our A-Elevation with a 3-car garage, 3 bedrooms, 3 baths with a study and a game room on an oversized Lot. When you walk into this home, you will see the amazing sliders that open up to the back patio with a brick fireplace and a gas stub out for a grill for indoor and outdoor entertaining. This home also includes vaulted ceilings in the family room, there is a huge kitchen island that can sit 4-5 comfortably, Revwood floors in the main areas, white cabinets, quartz countertops, and a built-in oven and microwave. Estimated closing is in September, October or November.
